## Health & Safety Policy

Corecut Ltd based in West Lothian, Scotland is a privately-owned Company that provides:

- The provision of concrete drilling, sawing and structure related services and solutions
- The Provision of controlled demolition and Hydro Demolition activities

Through this H&S Policy the Directors of Corecut Ltd commit to the following:

- Providing safe and healthy working conditions for the prevention of work-related injury and/or ill health
- Eliminating hazards and reducing risks through hierarchy of controls best practice (e.g. elimination, substitution, engineering controls, administrative controls and use of PPE)
- Continual improvement of the Occupations Health & Safety (IMS) Management System
- Consultation, communication and participation of workers
- Fulfilment of H&S legal and other requirements
- Ensuring access to competent advice and are able to secure compliance within our statutory duties
- Health & Safety shall not be compromised for other objectives

This policy provides the framework for setting our H&S objectives. The Company's H&S policy and objectives are set, reviewed and approved by Directors via our annual (as a minimum) management review meetings.

This policy is available to interested parties on request, where appropriate
